Ante Funding Discount - 3 Year Olds From Month After 3rd Birthday to Beginning of Next Funding Term

A discount of 5% will be applied to chargeable fees from the month after a child's 3rd birthday and will apply until the beginning of the term in which they become eligible for a funded place. This discount is intended purely to assist those children whose birthdays may result in a significant delay in their becoming eligible for a funded place - in some cases this can be almost 5 months after their 3rd birthday, so the timing of a birthday can be significant. The sole purpose of this discount is to recognise this timing anomaly. This discount ceases when a child becomes eligible for a funded place regardless of whether they take a funded space with us.

** assumes 2.8 hour funded session as party of full day

Annual funding entitlement is 1140 hours, spread over the funding year = 22.8 hours per week

The first 20 hours per week of Council funding is allocated to attendance during 2 full day sessions 7.30am to 6.00pm - children may attend the full 10.5 hours on these days.

Children in receipt of funding will be charged a consumable charge of £7.50 per day for each full day session booked, whether attended or not.

This fixed consumables charge is to cover all extra-curricular activities such as outings & trips, additional materials and nursery visits/activities.

The utilisation of the remaining funding entitlement of 2.8 hours/week depends upon a child's normal attendance as follows:

Either:

- Children normally attending 3 or more days per week - a funded session of 2.8 hours as part of a 3rd day cost

Cost of 3rd Day net of 2.8 hours funded session £ 59.75 /day (Normally £ 75.75 /day)

Or:

- Children normally attending only 2 x 10h funded days - the remaining funding entitlement is accumulated and given as additional "Ad-Hoc" funded 10 hour days

In a normal funding year of 1140 hours, 1000 hours are utilised on the first 2 funded days, leaving 140 hours = additional 14 "Ad-Hoc" Days over the year

The number of "Ad-Hoc" days for children accessing funding part way through a funding year will be calculated by reference to actual funded weeks attended

"Ad-Hoc" Funded days will normally be taken on a Friday, when spaces are reserved for this purpose, and will be agreed termly in advance

4 weeks written notice by email to reduce sessions or leave nursery. Where sessions are reduced the least cost daily fee will form the reduction
