**** assumes 2.8 hour funding balance applied**

Annual Funding is 1140 hours over 50 weeks = 22.8 hours/week. The first 20 hours are taken as 2 x 10 hour full days which are funded by the Council, although there is a Consumables Charge of £9.50/day payable to the Nursery to cover extra-curricular items throughout the year - eg outings/trips, visits, extra artwork materials etc. Our full days are 7.30am to 6.00pm, and there is no charge for the extra half hour on funded days. The remaining 2.8 hours/week may be set against either a regular 3rd Full Day (cost £64.50), a regular Morning (cost £36.75) or a regular Afternoon (Cost £25.75), with the Morning and Afternoon sessions being available on Mondays or Fridays. If no regular booking outwith the first 2 regular fully funded days is required, the 2.8 hours/week may be accumulated over the funding year and taken as additional "Ad Hoc" Full Days on days to be agreed termly with the Nursery Manager.

Chargeable weeks:

The Nursery is open all year round, except closure for 2 weeks holiday over Christmas each year. Charges apply to all remaining 50 weeks of year.

Once booked, all sessions are chargeable. No allowance is made for holidays or absence due to illness.

If the Nursery has to close due to a factor outwith our control - eg adverse weather, pandemic etc - refunds will not be given.

Meals & Snacks:

Full days include a 2 course lunch, morning and afternoon snacks.

Mornings include morning snack and 2 course lunch.

Afternoons include an afternoon snack.

A consumables & outings charge is payable on council funded days (see above)

Deposit:

A £100 deposit is required to secure a space which is refundable against your first fee invoice.

Sibling Discount:

All siblings each attract a discount on chargeable fees of 7.5% whilst two or more siblings both attend nursery at the same time.

Sibling discount discontinues for all siblings when one or more siblings leave nursery and only one sibling remains at nursery.

Funding Entitlement:

Children become eligible for Council Funding for the school term starting after their 3rd birthday as follows:
